## Google Classroom

### **Google Classroom Pupil Use Agreement**

The purpose of our Google Classroom is to provide a safe and secure place to receive and share learning, and a place to connect with school staff and classmates.

In Google Classroom, staff can assign work to the students digitally, without paper. Google Classroom is accessible from any digital device with internet access and a web browser.

Parents/carers and pupils are expected to read and adhere to the points outlined below.

### **Responsibility:**

- Using your G Suite account, check Google Classroom regularly to view homework or any work set by the class teacher. (You should check daily if learning remotely)
- Complete your learning online by either completing it on a digital device, using Google apps, or by doing it in a book/on paper and submitting a photo of it to your class email address.
- Complete the learning provided to the best of your ability. Do let your teacher know if you're having difficulties.
- Remember to submit learning by clicking 'Turn in' on Google Classroom.
- Check and respond to any feedback you may have received from school staff.

### **Safety:**

- Do not share personal information such as e-mail, home address or phone number.
- Only login using your own username/login and password.
- During 'learning time', you will be expected to use Google Classroom to access, complete and submit learning. You should not use this time to access other content on the internet unless it is for the learning that is being done.
- Ask permission of a parent/carer when accessing content on different websites or apps.

- Be polite, friendly, and encouraging in any communication with school staff and other pupils.
- Send polite and responsible messages and think carefully about how online messages affect others.

- Be aware that any comments deleted by pupils are still visible to school staff.
